

# Child Abuse Prevention Month

In honor of Children's Memorial Day, here are some resources for parents on the topics of grief & loss and children's safety. Learn more about our member agencies: [alamedacountycapc.com](http://alamedacountycapc.com)

## GRIEF & LOSS

The pain of grief is extremely intense as parents digest the finality of never seeing their child again and the loss of future hopes and plans. They also experience a deep emptiness and an unimaginable void in their lives. The loss of a child also impacts other members of the family.
